PROFILE

Passionate Graphic and Digital Design student, seeking an internship or experience based work in the field of Graphic, Web, and Interface Design.

EDUCATION

Associate of Applied Science - Information Technology

Advertising and Graphic Design - Wake Technical Community College, Raleigh, NC

EXPERIENCE

Creative Lead / Account Executive

January 2024 - April 2024

Wake Technical College, Raleigh, NC (Prime Time Mobile Detailing)

- ❖ Lead a team of graphic design students, reconstructing the brand identity for Prime Time Mobile Detailing
- ❖ Researched and analyzed competitor strategies to improve the company's identity and returning customer rate
- ❖ Created and communicated client needs and deliverables, including an animated logo, social media design templates, and a large billboard design
- ❖ Built presentations for the client on a bi-weekly schedule, providing updates on the design team's progress while communicating client needs and concerns

Sports Graphic Design Intern

August 2023 - March 2024

Carolina Jr. Hurricanes (United States Premier Hockey League)

- ❖ Quickly created high quality social media graphics presenting team based events, games, and players in a short time period
- ❖ Organized and prioritized work flow and daily assignments for maximum production
- ❖ Communicated with management to develop proper deliverables with specific requirements

Cashier & Line Cook

April 2022 - Present

WCC Cafe, Morrisville NC

- ❖ Maintain high standard of customer service during high-volume, fast-paced operations
- ❖ Communicate clearly and positively with coworkers and management

Assistant Coach - Volunteer

February 2021 - March 2023

Accelerator School (Hockey Program)

- ❖ Assisted with practice sessions and provided instruction and demonstration for young hockey students ranging from 9 - 18 years old
